

Dear parents/carers,

Doodling 'little and often' can help to boost your child's confidence and ability in English.

### Why Doodle?

- Using Doodle for just 10 minutes a day is proven to help children make three months of progress in just one month
- The clever algorithm powering Doodle builds every child a personalised work programme tailored to their strengths and weaknesses
- It's fun and engaging, with educational games, motivational collectables and regular nationwide challenges to take part in
- Designed by education specialists to foster independence and a love of learning, Doodle improves confidence as well as attainment, all without any adult input

### Making the most of Doodle

- Download the DoodleEnglish and DoodleSpell apps onto a touchscreen device. You can also log in to the Doodle programmes through the website ([doodlelearning.com](https://doodlelearning.com)) on laptop and desktop computers by clicking 'log in' and choosing a programme.
- Ask your child to sign in using their login details provided (remember, it's case sensitive!)
- Let your child work through their x-a-day and New This Week activities. Encourage them to work independently, and if they're really unsure, to use the help options to view tips or save a question as Tricky to come back to later with an adult.
- Encourage your child to stay within the green zone by earning their target number of stars per week.
- Link your email address to your child's account by logging in, tapping on the arrow icon in the top left-hand corner and selecting Settings > Parent details.  
Or, visit [parents.doodlelearning.com](https://parents.doodlelearning.com) and head to Manage > Subscriptions.
- You'll then be able to view your child's progress by visiting [parents.doodlelearning.com](https://parents.doodlelearning.com) or downloading the free **DoodleConnect** app on Apple and Android devices.

If you have any questions about Doodle, please visit [help.doodlelearning.com/](https://help.doodlelearning.com/) or click on the green chat icon on the website, Parent Dashboard, or DoodleConnect app to find articles and how-to videos on everything you need to know, or to chat with one of the helpful Parent Support Team. Doodle are also running free [weekly webinars for parents](#) if you'd like to find out more.

Happy Doodling!
